The Board may dismiss a substitute employee at any time at its discretion. (Education Code 44953)

The Board may release a temporary employee at its discretion if the employee has served less than 75 percent of the number of days the regular schools of the district are maintained during one school year. After serving 75 percent of the number of days that district schools are maintained during one school year, a temporary employee may be released as long as he/she is notified, before the last day of June, of the district's decision not to reelect him/her for the following school year. (Education Code 37200, 44954)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

Reemployment as a Probationary Employee

Unless released from employment pursuant to Education Code 44954, any person employed for

one complete school year as a temporary employee shall, if reemployed for the following school year in a vacant position requiring certification qualifications, be classified as a probationary employee. With the exception of on-call, day-to-day substitutes, if a temporary or substitute employee performs the duties normally required of certificated employees for at least 75 percent of the number of days the regular schools of the district were maintained in that school year and is then employed as a probationary employee for the following school year, his/her previous employment as a temporary or substitute employee shall be credited as one year's employment as a probationary employee for purposes of acquiring permanent status. (Education Code 44917, 44918, 44920) Due to the size of the district and policy that allows it, Nicasio School District does not grant permanent status.

(cf. 4116 - Probationary/Permanent Status)

Vacant position means a position in which the employee is qualified to serve and which is not filled by a permanent or probationary employee. It shall not include a position which would be filled by a permanent or probationary employee except for the fact that such employee is on leave. (Education Code 44920, 44921)

A temporary employee hired pursuant to item #1 or #2 in the section "Classification" above shall be classified as a probationary employee if the duties continue beyond the time limits of the assignment. (Education Code 44919)

A person employed pursuant to item #5 in the section "Classification" above who is then continued in employment beyond the first semester shall be classified as a probationary employee for the entire school year and shall be reemployed to fill any vacant position in the district for which he/she is certified. Preference for available positions shall be determined by the Board as prescribed by Education Code 44845 and 44846. (Education Code 44921)

With the exception of on-call, day-to-day substitutes, any temporary or substitute employee who was released pursuant to Education Code 44954 but who has nevertheless served in a certificated position in the district for at least 75 percent of each of two consecutive school years shall receive first priority if the district fills a vacant position for the subsequent school year at the grade level at which the employee served during either year. In the case of a departmentalized program, the employee shall have taught the subject matter in which the vacant position occurs. (Education Code 44918)

Board Policy

Bargaining Units

BP 4140 4240,4340

Personnel

The Governing Board recognizes the right of district employees to form a bargaining unit, select an employee organization as their exclusive representative, and be represented by that organization in their employment relationship with the district. The Board is committed to negotiating in good faith with recognized employee organizations and respecting the rights of employees and employee organizations.

(cf. 4141/4241 - Collective Bargaining Agreement)

(cf. 4143/4243 - Negotiations/Consultation)

(cf. 9000 - Role of the Board)

The district shall not dominate or interfere with the formation or administration of any employee organization or contribute financial or other support to it. (Government Code 3543.5)

Formation of Bargaining Units

Certificated and classified employees shall not be included in the same bargaining unit. (Government Code 3545)

The district may recognize a bargaining unit of supervisory employees if: (Government Code 3545)

1. The bargaining unit includes all supervisory employees.
2. The supervisors are not represented by the same organization that represents employees whom the supervisory employees supervise.

(cf. 4300 - Administrative and Supervisory Personnel)

(cf. 4301 - Administrative Staff Organization)

(cf. 4312.1 - Contracts)

For this purpose, supervisory employee means any employee, regardless of job description, having the authority, in the interest of the district, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, discipline, assign work, direct, adjust grievance of other employees, or effectively recommend that action. The exercise of this authority shall not be merely routine or clerical in nature, but shall require the use of independent judgment. (Government Code 3540.1)

Employees serving in management, senior management, or confidential positions shall not be represented by an exclusive representative. Such employees may represent themselves individually or may be represented by an employee organization whose membership is composed

entirely of employees designated as holding those positions. When represented by an employee organization, that organization shall not meet and negotiate with the district. For this purpose: (Government Code 3540.1, 3543.4)

1. Management employee means any employee who has significant responsibilities for formulating district policies or administering district programs, and whose position is designated as a management position by the Board.
2. Confidential employee means any employee who is required to develop or present management positions with respect to employer-employee relations or whose duties normally require access to confidential information that is used to contribute significantly to the development of management positions.

Membership

The district shall not deter or discourage employees or job applicants from becoming or remaining members of an employee organization, authorizing representation by an employee organization, or authorizing dues or fee deductions to an employee organization. In addition, the district shall not impose or threaten to impose reprisals on employees, discriminate or threaten to discriminate against employees, or otherwise interfere with, restrain, or coerce employees because of their membership or nonmembership in an employee organization. (Government Code 3543.5, 3550)

(cf. 4119.1/4219.1/4319.1 - Civil and Legal Rights)

The Superintendent or designee may communicate with district employees regarding their rights under the law. Such communications shall be factual and accurate, and may not promise a benefit, threaten a reprisal, or in any way deter or discourage employees from joining an employee organization or paying dues.

However, before disseminating to multiple employees any mass communication concerning employees' right to join or support an employee organization or to refrain from joining or supporting an employee organization, such as a written document or script for oral or recorded presentation or message, the Superintendent or designee shall meet and confer with the employees' exclusive representative regarding the content of the communication. If the district and exclusive representative do not come to agreement on the content of the mass communication, the Superintendent or designee may disseminate the district's mass communication provided that, at the same time, copies of the exclusive representative's communication, which shall be of reasonable length, are also distributed. (Government Code 3553)

Access to Employee Orientations and Contact Information

The district shall permit employee organizations access to new employee orientations where newly hired employees are advised, whether in person, online, or through other means or mediums, of their employment status, rights, benefits, duties, responsibilities, or any other employment-related matters. The district shall provide employee organizations at least 10 days' notice in advance of an orientation. However, in any specific instance where an unforeseeable,

urgent need critical to the district's operation prevents the required 10 days' notice, a shorter notice may be provided. (Government Code 3555.5, 3556)

The structure, time, and manner of the access to new employee orientations shall be determined by mutual agreement of the district and the exclusive representative, following a request to negotiate by either party. If the district and exclusive representative fail to reach an agreement, matters related to the access to new employee orientation shall be subject to compulsory interest arbitration. The district and employee organization may mutually agree to submit any dispute to compulsory interest arbitration at any time. In addition, if any dispute arises during negotiations and is not resolved within 45 days after the first meeting or within 60 days after the initial request to negotiate, whichever is earlier, either party may make a demand for compulsory interest arbitration. When any such dispute arises during the summer when the district's administrative office is closed, the timeline shall commence on the first day the administrative office reopens. The decision of the arbitrator shall be final and binding on the parties. (Government Code 3556, 3557)

The date, time, and place of the orientation shall not be disclosed to anyone other than employees, the exclusive representative, or a vendor that is contracted to provide a service for purposes of the orientation. (Government Code 3556)

The Superintendent or designee shall provide an exclusive representative with the name, job title, department, work location, telephone numbers (work, home, and personal cell phone), personal email address(es) on file with the district, and home address of any newly hired employee in the bargaining unit, within 30 days of hire or by the first pay period of the month following hire. In addition, the Superintendent or designee shall provide the same information in regard to all employees in the bargaining unit to an exclusive representative at least every 120 days, unless more frequent or detailed lists are required by agreement with the exclusive representative. (Government Code 3558, 6254.3)

However, the Superintendent or designee shall not disclose the home address and any phone numbers on file for employees performing law enforcement-related functions, nor shall he/she disclose the home address, home or personal cell phone number(s), or personal email address(es) of any employee who is a participant in the Safe at Home address confidentiality program pursuant to Government Code 6207 or any employee who provides written request that the information not be disclosed for this purpose. Following receipt of a written request, the district shall remove the employee's home address, home and personal cell phone numbers, and personal email address from any mailing list maintained by the district unless the list is only used by the district to contact the employee. (Government Code 3558, 6207, 6254.3)

(cf. 1340 - Access to District Records)

Membership Dues or Other Payments to an Employee Organization

When drawing an order for the salary or wage payment of a bargaining unit employee of an employee organization, the district shall deduct any amount which has been requested by the

employee in a revocable written authorization for the purpose of paying dues or other payments for any service, program, or committee provided or sponsored by the employee organization. (Education Code 45060, 45168)

An employee organization that certifies that it has and will maintain individual employee authorizations shall handle and process employee written authorizations for payroll deductions. When an employee organization provides such a certification to the district, the district shall rely on information from the employee organization regarding the amounts of such payroll deductions and from which employees. The employee organization shall not be required to submit to the district a copy of the written authorization in order for the payroll deductions to be effective. However, when there is a dispute about the existence or terms of the written authorization, a copy of the employee's written authorization shall be submitted to the district. The employee organization shall indemnify the district for any employee claims regarding payroll deductions made by the district in reliance on notification from the employee organization. (Education Code 45060, 45168)

When an employee organization which has declined to certify that it will handle and process employee written authorizations makes a request for payroll deductions, the district shall request a copy of the employee's written authorization before making the payroll deductions. (Education Code 45060, 45168)

A written authorization shall remain in effect until expressly revoked in writing by the employee and pursuant to the terms of the written authorization. Employee requests to cancel or change authorizations for payroll deductions for employee organizations shall be directed to the employee organization rather than the district. The employee organization shall be responsible for processing these requests. The district shall rely on the information provided by the employee organization regarding whether deductions for an employee organization were properly canceled or changed. The employee organization shall be required to indemnify the district for any claims made by an employee for deductions made by the district in reliance on information from the employee organization. (Education Code 45060, 45168)

The Superintendent or designee shall implement an ergonomics program to identify risk factors in the work environment that may result in injuries or illnesses to employees and shall design measures to mitigate such risk factors. The program shall include a study of body movements and positions used during work, the tools and equipment used, the physical environment (such as temperature, noise, and lighting), and the organizational environment (such as deadlines, teamwork, and supervision) in order to identify potential causes of stress on the body over time, such as exertion or strain, awkward or sustained posture, or repeated motions.

 - b. The exposures that have been associated with RMIs

6. Need of the employee to seek or obtain any relief or medical attention specified in Labor Code 230(c) and/or 230.1(a) for the health, safety, or welfare of the employee or his/her child, when the employee has been a victim of domestic violence, sexual assault, or stalking (Labor Code 233, 246.5)

For the purposes specified in items #7-8, an employee may use, in any calendar year, the amount of sick leave he/she would accrue during six months at his/her current rate of entitlement. (Labor Code 233)

An employee may take sick leave at any time during the school year, even if credit for sick leave has not yet been accrued. (Education Code 44978)

An employee shall reimburse the district for any unearned sick leave used as of the date of his/her termination.

Unused days of sick leave shall be accumulated from year to year without limitation. (Education Code 44978)

At the beginning of each school year, employees shall be notified of the amount of sick leave they have accumulated.

The district shall not require new employees to waive leave accumulated in a previous district. (Education Code 44979, 44980)

The Superintendent or designee shall notify any certificated employee who leaves the district after at least one school year of employment that if the employee accepts a certificated position in another district, county office of education, or community college district within one year, he/she may request that the district transfer his/her accumulated sick leave to the new employer. (Education Code 44979, 44980)

Additional Leave for Disabled Military Veterans

In addition to any other entitlement for sick leave with pay, a certificated employee who is a former active duty member of the U.S. Armed Forces or a former or current member of the California National Guard or a federal reserve component shall be entitled to sick leave with pay of up to 10 days for the purpose of undergoing medical treatment, including mental health treatment, for a military service-connected disability rated at 30 percent or more by the U.S. Department of Veterans Affairs. An eligible employee who works less than five days per week shall be entitled to such leave in proportion to the time he/she works. (Education Code 44978.2)

The amount of leave shall be credited to the employee either on the date the employee receives confirmation of the submission of his/her disability application to the U.S. Department of Veterans

Affairs or on the first day the employee begins or returns to employment after active duty, whichever is later. When the employee receives his/her disability rating decision, he/she shall report that information to the Superintendent or designee. If the disability rating decision makes the employee eligible for the leave, the time used before the decision shall be counted toward the 10-day maximum leave. If the disability rating decision makes the employee ineligible for the leave, the district may change the sick leave time used before the disability rating decision to an alternative leave balance. (Education Code 44978.2)

The Superintendent or designee may require verification, in accordance with the section "Verification Requirements" below, that the employee used the leave to obtain treatment of a military service-connected disability.

Leave for military-service connected disability shall be available for 12 months following the first date that the leave was credited. Leave not used during the 12-month period shall not be carried over and shall be forfeited. (Education Code 44978.2)

Notification of Absence

An employee shall notify the district of his/her need to be absent as soon as such need is known, so that substitute services may be secured. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall so notify the district. If the duration of absence becomes shorter than estimated, the employee shall notify the district not later than three o'clock in the afternoon of the day preceding the day on which he/she intends to return to work. If the employee fails to notify the district and the failure results in a substitute being secured, the cost of the substitute shall be deducted from the employee's pay.

(cf. 4121 - Temporary/Substitute Personnel)

Continued Absence After Available Sick Leave Is Exhausted/Differential Pay

During each school year, when a certificated employee has exhausted all available sick leave, including all accumulated sick leave, and, due to illness or accident, continues to be absent from his/her duties for an additional period of up to five school months, the employee shall receive his/her regular salary minus the actual cost of a substitute to fill the position. If the district has made every reasonable effort to secure the services of a substitute and has been unable to do so, the amount that would have been paid to a substitute shall be deducted from the employee's salary. (Education Code 44977)

An employee shall not be provided more than one five-month period per illness or accident. However, if the school year ends before the five-month period is exhausted, the employee may take the balance of the five-month period in a subsequent school year. (Education Code 44977)

Absence Beyond Five-Month Period/Reemployment List

If a certificated employee is not medically able to resume his/her duties after the five-month period

provided pursuant to Education Code 44977, the employee shall be placed either in another position or on a reemployment list. Placement on the reemployment list shall be for 24 months for probationary employees or 39 months for permanent employees and shall begin at the expiration of the five-month period. If during this time the employee becomes medically able, he/she shall be returned to employment in a position for which he/she is credentialed and qualified. (Education Code 44978.1)

(cf. 4116 - Probationary/Permanent Status)

Parental Leave

During each school year, a certificated employee may use all available sick leave, including accumulated sick leave, for the purpose of parental leave for a period up to 12 work weeks. The 12-week period shall be reduced by any period of sick leave, including accumulated sick leave, taken during a period of such parental leave. (Education Code 44977.5)

Eligibility for such leave shall not require 1,250 hours of service with the district during the previous 12 months. (Education Code 44977.5)

An employee who has exhausted all available sick leave, including accumulated sick leave, and continues to be absent on account of parental leave shall receive differential pay for the remainder of the 12 work weeks. (Education Code 44977.5)

Parental leave taken pursuant to Education Code 44977.5 shall run concurrently with the parental leave taken pursuant to Government Code 12945.2 or 12945.6, and the aggregate amount of parental leave shall not exceed 12 work weeks in a 12-month period. (Education Code 44977.5; Government Code 12945.2, 12945.6)

Verification Requirements

After any absence due to illness or injury, the employee shall verify the absence by submitting a completed and signed district absence form to his/her immediate supervisor.

The Superintendent or designee may require verification whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever available evidence clearly indicates that an absence is not related to illness or injury.

In addition, the Superintendent or designee may require an employee to visit a physician selected by the district, at district expense, in order to receive a report on the medical condition of the employee. The report shall include a statement as to the employee's need for further leave of absence and a prognosis as to when the employee will be able to return to work. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or designee may, after giving notice to the employee, deny further leave.

Any district request for additional verification by an employee's physician or a district-selected

physician shall be in writing and shall specify that the report to be submitted to the district should not contain the employee's genetic information.

Any genetic information received by the district on behalf of an employee shall be treated as a confidential medical record, maintained in a file separate from the employee's personnel file, and shall not be disclosed except in accordance with 29 CFR 1635.9.

Before returning to work, an employee who has been absent for surgery, hospitalization, or extended medical treatment may be asked to submit a letter from his/her physician stating that he/she is able to return to duty and stipulating any necessary restrictions or limitations.

(cf. 4032 - Reasonable Accommodation)

(cf. 4113.4/4213.4/4313.4 - Temporary Modified/Light-Duty Assignment)

Healthy Workplaces, Healthy Families Act Requirements

No employee shall be denied the right to use accrued sick days, and the district shall not in any manner discriminate or retaliate against an employee for using or attempting to use sick leave, filing a complaint with the Labor Commissioner, or alleging district violation of Labor Code 245-249.

To ensure the district's compliance with Labor Code 245-249, the Superintendent or designee shall:

1. At a conspicuous location in each workplace, display a poster on paid sick leave that includes the following information:

 - c. The terms of use of paid sick days
 - d. That discrimination or retaliation against an employee for requesting and/or using sick leave is prohibited by law and that an employee has the right to file a complaint with the Labor Commissioner if the district discriminates or retaliates against him/her
2. Provide at least 24 hours or three days of paid sick leave to each eligible employee to use per year and allow eligible employees to use accrued sick leave upon reasonable request
3. Provide eligible employees written notice, on their pay stub or other document issued with their pay check, of the amount of paid sick leave they have available

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

4. Keep a record documenting the hours worked and paid sick days accrued and used by each

eligible employee for three years

Personnel

Personal leaves granted to district employees shall be used as permitted in this administrative regulation, other Board-approved policy or district regulation, or applicable collective bargaining agreement.

For the purpose of any personal leave offered pursuant to state law, a registered domestic partner shall have the same rights, protections, and benefits as a spouse and protections provided to a spouse's child shall also apply to a child of a registered domestic partner. (Family Code 297.5)

Whenever possible, employees shall request personal leaves in advance and prepare suitable instructions, including lesson plans as applicable, for a substitute employee.

(cf. 4121 - Temporary/Substitute Personnel)

Bereavement

Employees are entitled to a leave of up to three days, or five days if out-of-state travel is required, upon the death of any member of the employee's immediate family. No deduction shall be made from the employee's salary, nor shall such leave be deducted from any other leave to which the employee is entitled. (Education Code 44985, 45194)

(cf. 4161/4261/4361 - Leaves)

Members of the immediate family include: (Education Code 44985, 45194)

At the employee's request, bereavement leave may be extended under personal necessity leave provisions as provided in the section "Personal Necessity" below. (Education Code 44981, 45207)

(cf. 4161.1/4361.1 - Personal Illness/Injury Leave)

(cf. 4261.1 - Personal Illness/Injury Leave)

2. An accident involving the employee or his/her property or the person or property of a member of the employee's immediate family (Education Code 44981, 45207)
3. Illness, preventive care, or other need of a member of the employee's family, as defined in Labor Code 245.5 (Education Code 44981; Labor Code 246.5)

5. Fire, flood, or other immediate danger to the home of the employee
6. Personal business of a serious nature which the employee cannot disregard

Leave for personal necessity may be allowed for other reasons at the discretion of the Superintendent or designee. However, personal necessity leave shall not be granted for purposes of personal convenience, for the extension of a holiday or vacation, or for matters which can be taken care of outside of working hours. The Superintendent or designee shall have final discretion as to whether or not a request reflects personal necessity.

Advance permission shall not be required of an employee in any case involving the death of a member of the employee's immediate family, an accident involving the employee's person or property or the person or property of a member of his/her immediate family, or the illness, preventive care, or other need of a member of the employee's family. (Education Code 44981, 45207)

For any leave that is planned, or where the need for leave is foreseeable, an employee shall notify the Superintendent or designee in advance. In all other circumstances, the employee shall notify the Superintendent or designee of the need for the leave as soon as practicable.

After any absence due to personal necessity, the employee shall verify the absence by submitting a completed and signed district absence form to his/her immediate supervisor.

An employee absent for 30 days or fewer shall not be required to pay more than the employee share for such coverage. An employee absent for 31 days or more may be required to pay not more than 102 percent of the full premium under the plan. (38 USC 4317; 20 CFR 1002.166)

Any employee called into active military duty as a member of the California National Guard or a United States Military Reserve organization shall receive, for up to 180 days, the difference between the amount of his/her military pay and the amount the employee would have received from the district and all benefits that the employee would have received if he/she had not been called to active military duty, unless the benefits are prohibited or limited by vendor contracts.

Vacation and Sick Leave Accrual

An employee on temporary military leave under the conditions described in item #1 Active Military Training or Exercises, in the section entitled "Salary/Compensation" above, shall continue to accrue the same vacation, sick leave, and holiday privileges to which he/she would otherwise be entitled if not absent. Employment Status

Absence for military leave shall not affect the classification of any certificated employee. In the case of a certificated probationary employee, the period of such absence shall not count as part of the service required to obtain permanent status, but shall not be construed as a break in the continuity of service for any purpose. (Education Code 44800)

(cf. 4116 - Probationary/Permanent Status)

Reinstatement Rights

At the conclusion of the military duty, an employee shall be promptly reinstated in the position held at the beginning of the leave, at the salary to which he/she would otherwise have been entitled, except under the conditions noted below. (Education Code 44800; Military and Veterans Code 395, 395.2; 38 USC 4304, 4313; 20 CFR 1002.180-1002.181)

(cf. 4030 - Nondiscrimination in Employment)

Any employee who performs active military duty in time of war, national emergency, or United Nations military or police operation has a right to return to his/her position within six months of an honorable discharge or placement on inactive duty. Reinstatement rights shall not be extended to

any such employee who fails to return within 12 months after the first date upon which he/she could terminate or could cause to be terminated his/her active service. (Education Code 44800; Military and Veterans Code 395.1)

When an employee has been on military leave for reasons other than war or national emergency, the time frame for reinstatement shall depend on the length of military service as follows: (38 USC 4312; 20 CFR 1002.115, 1002.118)

1. For a leave of 30 days or fewer, the employee shall report for duty no later than the beginning of the first full work day following the completion of military service, provided the employee has a period of eight hours to rest following transportation to his/her residence.
2. For a leave of 31-180 days, the employee shall submit a written or verbal application for reinstatement not later than 14 days after the completion of military service.
3. For a leave of more than 180 days, the employee shall submit a written or verbal application for reinstatement within 90 days after the completion of military service.

In cases where reporting within the periods specified in items #1 and #2 above is impossible or unreasonable through no fault of the employee, he/she shall report as soon as possible after the expiration of the period. (38 USC 4312; 20 CFR 1002.115, 1002.117)

An employee who is hospitalized for, or convalescing from, an illness or injury incurred in or aggravated during the performance of military service shall report for duty or submit an application for reinstatement at the end of the period that is necessary to recover from such illness or injury, but no more than two years after the completion of military service unless circumstances beyond the employee's control make reporting within the two-year period impossible or unreasonable. (38 USC 4312; 20 CFR 1002.116)

(cf. 4032 - Reasonable Accommodation)

Upon receiving an application for reinstatement, the Superintendent or designee shall reinstate the employee as soon as practicable under the circumstances of his/her case, but within a time period not to exceed two weeks, absent unusual circumstances. (20 CFR 1002.181)

If the employee's previous position has been abolished, he/she shall be reinstated in a position of like seniority, status, and pay, if such position exists, or to a comparable vacant position for which he/she is qualified. (Military and Veterans Code 395, 395.1; 38 USC 4313; 20 CFR 1002.192)

An employee failing to apply for reinstatement within the appropriate period does not automatically forfeit his/her rights, but shall be subject to the Board's rules governing unexcused absences. (38 USC 4312)

The Superintendent or designee may elect not to reinstate an employee following military leave if any of the following conditions exists:

1. The district's circumstances have so changed as to make such re-employment impossible or unreasonable, such as a reduction in force that would have included the employee. (38 USC 4312; 20 CFR 1002.139)
2. The accommodation, training, or effort described in 38 USC 4313(a)(3), (a)(4), or (b)(2)(B) would impose an undue hardship on the district as defined in 20 CFR 1002.5 or 1002.198. (38 USC 4312; 20 CFR 1002.139)
3. The employee's position was for a brief, non-recurrent period and there was no reasonable expectation that such employment will continue indefinitely or for a significant period. (38 USC 4312; 20 CFR 1002.139)
4. The employee's cumulative length of absence and length of all previous military leave while employed with the district exceeds five years, excluding those training and service obligations specified in 38 USC 4312(c). (38 USC 4312; 20 CFR 1002.99-1002.103)
5. The employee was separated from military service with a disqualifying discharge or under other than honorable conditions. (Military and Veterans Code 395.1; 20 USC 4304, 4312; 20 CFR 1002.134-1002.138)

Notices

The Superintendent or designee shall provide employees a notice of the rights, benefits, and obligations of employees granted military leave and of the district under the Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 USC 4301-4334. (38 USC 4334)

This requirement may be met by posting the notice where the district customarily places notices for employees. (38 USC 4334)

Prior to employment by the district, an applicant shall submit a certificate from an authorized health provider stating that the applicant was assessed and/or examined and found to be free of infectious tuberculosis. (Education Code 49406)

An applicant who was previously employed in another school district or private or parochial school shall be deemed to have fulfilled the tuberculosis testing requirement if he/she produces a certificate showing that he/she was found to be free of infectious tuberculosis within 60 days of initial hire or if his/her previous employer verifies that it has a certificate on file showing that the applicant is free from infectious tuberculosis. (Education Code 49406)

Thereafter, each district employee who was found free of infectious tuberculosis shall undergo a tuberculosis risk assessment, and an examination whenever risk factors are identified, at least once every four years or more often when required by the Governing Board upon recommendation of the county health officer. However, once an employee has a documented positive test for tuberculosis infection followed by an x-ray, he/she shall no longer be required to submit to the tuberculosis risk assessment but shall be referred to the county health officer within 30 days of the examination to determine the need for follow-up care. (Education Code 49406)

The cost of the pre-employment tuberculosis risk assessment and/or examination shall be paid by the applicant, unless the Board has determined that the district will reimburse an applicant who is subsequently hired by the district. The district shall reimburse the employee for the cost, if any, of

subsequent tuberculosis risk assessments and examinations. The district may provide for the risk assessment and examination or may establish a reasonable fee for the examination that is reimbursable to the employee. (Education Code 49406)

Whenever the district contracts for the transportation of students, the contract shall require that all drivers who will be transporting students complete the tuberculosis risk assessment and, if indicated, the examination for infectious tuberculosis within 60 days of initial hire. (Education Code 49406)

The following applicants or employees shall be exempted from the requirement to submit to a tuberculosis risk assessment and/or examination: (Education Code 49406)

1. An applicant/employee who files an affidavit stating that he/she adheres to the faith or teachings of a well-recognized religious sect, denomination, or organization and, in accordance with its creed, tenets, or principles, depends for healing upon prayer in the practice of religion and that, to the best of his/her knowledge and belief, he/she is free from infectious tuberculosis

Such an exemption shall be allowed only if the Board determines by resolution, after a hearing, that the health of students would not be jeopardized. If at any time there is probable cause to believe that the applicant/employee is afflicted with infectious tuberculosis, he/she may be excluded from service until the Board is satisfied that he/she is not afflicted.

(cf. 4030 - Nondiscrimination in Employment)

2. A classified employee who is employed for less than a school year and whose functions do not require frequent or prolonged contact with students

3. A pregnant employee who has positive results on a tuberculosis skin test, in which case she shall be exempted from the requirement to follow up with an x-ray of the lungs for a period not to exceed 60 days after the end of the pregnancy

A certificated employee may be hired by the district without obtaining a criminal record summary if that employee is employed as a certificated employee in another California school district and became a permanent employee of another California school district as of October 1, 1997.
(Education Code 44830.1, 44836)

The Superintendent or designee shall not issue a temporary certificate of clearance to a person

whose application for a credential, certificate, or permit is being processed by the Commission on Teacher Credentialing if that person has been convicted of a violent or serious felony, unless the person is otherwise exempt pursuant to Education Code 44332.6 or 44830.1. (Education Code 44332.5, 44332.6)

Pre-Employment Record Check

The Superintendent or designee shall require each person to be employed by the district to submit his/her fingerprints electronically through the Live Scan system so that a criminal record check may be conducted by the Department of Justice (DOJ). The Superintendent or designee shall provide the applicant with a Live Scan request form and a list of nearby Live Scan locations.

When a person is applying for a classified position, the Superintendent or designee shall request that the DOJ also obtain a criminal record check through the Federal Bureau of Investigation whenever the applicant meets one of the following conditions: (Education Code 45125)

1. The applicant has not resided in California for at least one year immediately preceding the application for employment.
2. The applicant has resided in California for more than one year, but less than seven years, and the DOJ has ascertained that the person was convicted of a sex offense where the victim was a minor or a drug offense where an element of the offense is either the distribution to or the use of a controlled substance by a minor.

The Superintendent or designee shall immediately notify the DOJ when an applicant who has submitted his/her fingerprints to the DOJ is not subsequently employed by the district. (Penal Code 11105.2)

Subsequent Arrest Notification

The Superintendent or designee shall enter into a contract with the DOJ to receive notification of subsequent arrests resulting in conviction of any person whose fingerprints have been submitted to the DOJ. (Education Code 44830.1, 45125; Penal Code 11105.2)

Upon telephone or email notification by the DOJ that a current temporary employee, substitute employee, or probationary employee serving before March 15 of his/her second probationary year has been convicted of a violent or serious felony, the Superintendent or designee shall immediately place that employee on leave without pay. (Education Code 44830.1, 45122.1)

(cf. 4116 - Probationary/Permanent Status)
(cf. 4121 - Temporary/Substitute Personnel)

When the district receives written electronic notification by the DOJ of the fact of conviction, the temporary employee, substitute employee, or probationary employee serving before March 15 of his/her second probationary year shall be terminated automatically unless the employee challenges the DOJ record and the DOJ withdraws its notification in writing. Upon receipt of the written

withdrawal of notification by the DOJ, the Superintendent or designee shall immediately reinstate that employee with full restoration of salary and benefits for the period of time from the suspension without pay to the reinstatement if the employee is still employed by the district. (Education Code 44830.1, 45122.1)

The Superintendent or designee shall immediately notify the DOJ whenever a person whose fingerprints are maintained by the DOJ is terminated. (Penal Code 11105.2)

The Superintendent shall designate at least one custodian of records who shall be responsible for the security, storage, dissemination, and destruction of all Criminal Offender Record Information (CORI) furnished to the district and shall serve as the primary contact for the DOJ for any related issues. (Penal Code 11102.2)

An employee designated as custodian of records shall receive a criminal background check clearance from the DOJ prior to serving in that capacity. (Penal Code 11102.2)

The custodian of records shall sign and return to the DOJ the Employee Statement Form acknowledging his/her understanding of the laws prohibiting misuse of CORI. In addition, the custodian of records shall ensure that any individual with access to CORI has on file a signed Employee Statement Form.

To ensure its confidentiality, CORI shall be accessible only to the custodian of records and shall be kept in a locked file separate from other files. CORI shall be used only for the purpose for which it is requested and its contents shall not be disclosed or reproduced. (Education Code 44830.1, 45125)

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)

Subject to an interagency agreement with other school districts, the district shall submit and receive CORI on behalf of all participating districts. (Education Code 44830.2, 45125.01)

Upon receipt from the DOJ of a report of conviction of a serious or violent felony, the district shall communicate that fact to participating districts and shall remove the affected employee from the common list of persons eligible for employment. (Education Code 44830.2, 45125.01)

In addition, upon receipt from the DOJ of a criminal history record or report of subsequent arrest for any person on a common list of persons eligible for employment, the district shall give notice to the superintendent of any participating district, or the person designated in writing by that superintendent, that the report is available for inspection on a confidential basis by the superintendent or the authorized designee. The report shall be made available at the district office for 30 days following the receipt of the notice. (Education Code 44830.2, 45125.01)

The district shall not release a copy of that information to any participating district or any other person. In addition, the district shall retain or dispose of the information in the manner specified in law and in this administrative regulation after all participating districts have had an opportunity to inspect it in accordance with law. (Education Code 44830.2, 45125.01)

The district shall maintain a record of all persons to whom the information has been shown and shall make this record available to the DOJ. (Education Code 44830.2, 45125.01)

Temporary Modified/Light-Duty Assignment

BP 4213.4 4113.4, 4313.4

Personnel

The Governing Board recognizes that, when employees have temporarily disabling medical conditions, temporary modified or light-duty assignments can allow the district to continue to use their valuable knowledge, skills, and abilities while minimizing time away from work.

Temporary modified/light-duty assignments may also serve to facilitate the employee's transition back to his/her regular duties or full-time work.

(cf. 3530 - Risk Management/Insurance)

(cf. 4157.1/4257.1/4357.1 - Work-Related Injuries)

(cf. 4161.11/4261.11/4361.11 - Industrial Accident/Illness Leave)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

Any employee may request a modified or light-duty assignment when he/she has a temporary medical condition which prevents the performance of the essential functions of his/her current assignment or position. The Superintendent or designee shall determine, on a case-by-case basis, whether a suitable temporary position currently exists to accommodate the physical restrictions specified by the employee's medical provider.

(cf. 4032 - Reasonable Accommodation)

An employee's initial assignment to a temporary modified or light-duty position shall be for a limited duration, not to exceed 30 days. At the end of the initial assignment, the employee may request that the Superintendent or designee extend the assignment. When requesting any such extension, the employee shall submit documentation from his/her medical provider verifying that the employee is still temporarily disabled and is not medically able to return to his/her regular assignment. Temporary assignments generally shall not exceed 90 days, but may be extended at the discretion of the Superintendent or designee for an additional 90 days upon verification by the employee's medical provider that such an extension will allow the employee to return to unrestricted regular duties.

An employee who rejects a temporary modified/light-duty assignment may be subject to a loss of workers' compensation benefits in accordance with district's insurance policy.

Evaluation/Supervision

BP 4215

Personnel

The Governing Board recognizes that appropriate supervision and regular, comprehensive evaluations can help employees to continually improve in the performance of their responsibilities. Evaluations shall be made in accordance with procedures specified in negotiated contracts and based on job-specific standards of performance.

The Governing Board respects supervisors to gauge employee's effectiveness and skills.

(cf. 4141/4241 - Collective Bargaining Agreement)

The Board expects supervisors to gauge employees' on-the-job effectiveness and skills in a fair, objective, and consistent manner. Evaluations shall address the competence and care with which the employee executes his/her assigned responsibilities. As appropriate, evaluations also may address the extent to which the employee works cooperatively with others and observes school or district rules and regulations.

(cf. 4119.21/4219.21/4319.21- Professional Standards)

The Superintendent or designee shall ensure that evaluation ratings have uniform meaning throughout the district.

Evaluations shall be used to recognize the exemplary skills and accomplishments of staff and to identify areas needing improvement. When the evaluation indicates areas needing improvement, the Board expects employees to accept responsibility and take initiative to improve their performance. The Superintendent or designee shall assist employees in obtaining needed job skills.

(cf. 4231 - Staff Development)

The evaluation shall be dated and signed by both the employee and the supervisor.

(cf. 4112.6/4212.6/4312.6 - Personnel Files)

The Superintendent or designee shall ensure that classified employees have access to rules and procedures related to performance evaluations.

Resignation

BP 4217.2 4117.2, 4317.2

Personnel

Any district employee who desires to resign his/her position shall submit, in writing, a letter of resignation which indicates the date which the employee intends as his/her last day at work. The Governing Board encourages employees to provide advance notice that is appropriate for the position they hold.

The Board authorizes the Superintendent or designee to accept an employee's written resignation and to set its effective date. Once the Superintendent or designee has accepted and set an effective date for this resignation, the resignation may not thereafter be withdrawn by the employee.

The effective date of the resignation shall be a date not later than the close of the school year during which the resignation is received. However, an employee and the Board may agree that a resignation will be accepted at a mutually agreed upon date not later than two years beyond the close of the school year during which the resignation is received by the Board. Administrative Regulation

Layoff/Rehire

AR 4217.3

Personnel

Classified employees shall be subject to layoff for lack of work or lack of funds. (Education Code 45114, 45308)

A classified employee shall not be laid off if a short-term employee is retained to render a service that the classified employee is qualified to render. (Education Code 45117)

(cf. 4121 - Temporary/Substitute Personnel)

Order of Layoff Within a Classification/Determination of Seniority

Within each class, the order of layoff shall be determined by length of service. (Education Code 45114, 45308)

For an employee who is a member of the Military Reserve or the National Guard, length of service credit shall be granted for military leave of absence, including voluntary or involuntary active duty during a period of national emergency or war. (Education Code 45297, 45308)

(cf. 4161.5/4261.5/4361.5 - Military Leave)

Length of service credit may be granted for time spent on unpaid illness or maternity leave, unpaid family care leave, or unpaid industrial accident leave. Length of service credit shall not be granted for other types of unpaid leaves. (Education Code 45308)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

(cf. 4261.1 - Personal Illness/Injury Leave)

(cf. 4161.11/4261.11/4361.11 - Industrial Accident/Illness Leave)

Length of service shall be determined by the date of hire. The employee who has been employed the shortest time by the district shall be laid off first. (Education Code 45308)

For an employee in a "restricted position" under Education Code 45105 or 45259, the original date of employment in the restricted position shall be used to determine his/her length of service, provided he/she has completed six months of satisfactory service and has successfully passed the qualifying examination required for service in the class. (Education Code 45105)

(cf. 4200 - Classified Personnel)

Notice of Layoff

Whenever a classified employee is to be laid off for lack of work or lack of funds, written notice shall be given to the employee, informing him/her of the layoff, the date the layoff goes into effect, any displacement rights, and reemployment rights. The notice shall be given: (Education Code 45117)

1. At least 60 days prior to the effective date of the layoff, if the layoff is for lack of work resulting from a bona fide reduction or elimination of service being performed.
2. No later than April 29, if the layoff is for lack of funds due to the expiration of a specially funded program at the end of any school year. However, if the termination date of the specially funded program is other than June 30, the employee shall be given notice at least 60 days from the effective date of the layoff.

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

The district is not required to provide the 60-day notice in the event of an actual and existing financial inability to pay the salaries of classified employees or if the layoff is due to a lack of work resulting from conditions not foreseeable or preventable by the district. (Education Code 45117)

The district also is not required to provide the 60-day notice to any person hired as a short-term employee for a period not exceeding 60 days whose service may not be extended or renewed. (Education Code 45117)

Reemployment

Classified employees laid off because of lack of work or lack of funds shall be eligible for reemployment for a period of 39 months and shall be reemployed in preference to new applicants. Reemployment shall be in order of seniority. Persons so laid off also have the right to apply and establish their qualification for vacant promotional positions within the district during the 39-month period. (Education Code 45114, 45298, 45308)

When a vacancy occurs, the district shall give the employee with the most seniority an opportunity to accept or reject the position, by first calling the employee at his/her last known telephone number to notify him/her of the vacancy and then sending written notice by certified and standard mail to his/her last known address. The employee shall advise the district of his/her decision by any means no later than 10 calendar days from the date the notice was sent. If the employee accepts, he/she shall report to work no later than two calendar weeks from the vacancy notification date or on a later date specified by the district.

In order to be reemployed, the employee must be capable of performing the essential duties of the job with or without reasonable accommodations. When an otherwise eligible employee is unable to perform the essential duties of the job, he/she shall be kept on the reemployment list until another opportunity becomes available or the period of reemployment eligibility expires,

whichever occurs first.

(cf. 4032 - Reasonable Accommodation)

Upon rejecting two offers of reemployment, the employee's name shall be removed from the reemployment list and he/she will forfeit all reemployment rights to which he/she would otherwise be entitled.

When an employee is notified of a vacancy and fails to respond or report to work within time limits specified by district procedures, his/her name shall be removed from the reemployment list and all reemployment rights to which he/she would otherwise be entitled shall be forfeited.

If an employee is employed in a new position and fails to complete the probationary period in the new position, he/she shall be returned to the reemployment list for the remainder of the 39-month period. The remaining time period shall be calculated as the time remaining in the 39-month period as of the date of reemployment. (Education Code 45114, 45298)

Reinstatement of Benefits

When a laid-off employee is reemployed, all accumulated sick leave credit shall be restored.

A laid-off permanent employee shall be reemployed with all rights and benefits accorded to him/her at the time of layoff.

A laid-off probationary employee shall be reemployed as a probationary employee, and the previous time served toward the completion of the required probationary period shall be counted. He/she shall also be reemployed with all rights and benefits accorded to a probationary employee at the time of layoff.

A laid-off employee, when reemployed, shall be placed on the salary step held at the time of layoff. An employee who was bumped into a lower class shall, when reinstated to the previous class, be placed on the salary step to which he/she would have progressed had he/she remained there. An adjusted anniversary date shall be established for step increment purposes so as to reflect the actual amount of time served in the district.

Voluntary Demotion or Reduction of Hours

Classified employees who take voluntary demotion or voluntary reduction in assigned time in lieu of layoff, or in order to remain in their present position rather than be reclassified or reassigned, shall be granted the same rights as employees who are laid off. In addition, such employees shall retain eligibility to be considered for reemployment in their previously held class or position with increased assigned time, for an additional period of time up to 24 months as determined by the Governing Board on a class-by-class basis, provided that the same test of fitness under which they qualified for appointment to that class shall still apply. (Education Code 45114, 45298)

Employees who take voluntary demotion or voluntary reduction in assigned time in lieu of layoff

shall have the option of returning to a position in their former class or to positions with increased assigned time as vacancies become available and without limitation of time. If there is a valid reemployment list, they shall be ranked on that list in accordance with their proper seniority. (Education Code 45114, 45298)

Administrative Regulation

Dismissal/Suspension/Disciplinary Action

AR 4218

Personnel

Termination of Employment

At any time prior to the expiration of the probationary period, the Superintendent or designee may, at his/her discretion, dismiss a probationary classified employee from district employment. A probationary employee shall not be entitled to a hearing.

Involuntary Suspension Without Pay, Demotion, Reduction of Pay Step in Class, or Dismissal of Permanent Classified Employees

Permanent classified employees shall be subject to personnel action (suspension without pay, demotion, reduction of pay step in class, dismissal) only for cause. The Board's determination of the sufficiency of the cause for disciplinary action shall be conclusive.

1. Causes

In addition to any disqualifying or actionable causes otherwise provided for by statute or by policy or regulation of this district, each of the following constitutes cause for personnel action against a permanent classified employee:

- a. Falsifying any information supplied to the school district, including, but not limited to, information supplied on application forms, employment records, or any other school district records.
- b. Incompetency.
- c. Inefficiency.
- d. Neglect of duty.
- e. Insubordination.
- f. Dishonesty.
- g. Drinking alcoholic beverages while on duty or in such close time proximity thereto as to cause any detrimental effect upon the employee or upon employees associated with him/her.

(cf. 4020 - Drug and Alcohol-Free Workplace)

- h. Possessing or being under the influence of a controlled substance at work or away from work, or furnishing a controlled substance to a minor.
- i. Conviction of a felony, conviction of any sex offense made relevant by provisions of law, or conviction of a misdemeanor which is of such a nature as to adversely affect the employee's ability to perform the duties and responsibilities of his/her position. A plea or verdict of guilty, or a conviction following a plea of nolo contendere, is deemed to be a conviction for this purpose.
- j. Absence without leave.
- k. Immoral conduct.
- l. Discourteous treatment of the public, students, or other employees.
- m. Improper political activity.
- n. Willful disobedience.
- o. Misuse of district property.
- p. Violation of district, Board or departmental rule, policy, or procedure.
- q. Failure to possess or keep in effect any license, certificate, or other similar requirement specified in the employee's class specification or otherwise necessary for the employee to perform the duties of the position.
- r. Refusal to take and subscribe any oath or affirmation which is required by law in connection with his/her employment.
- s. A physical or mental disability which precludes the employee from the proper performance of his/her duties and responsibilities as determined by competent medical authority, except as otherwise provided by a contract or by law regulating the retirement of employees.
- t. Unlawful discrimination, including harassment, on the basis of race, religious creed, color, national origin, ancestry, physical handicap, marital status, sex, or age against the public or other employees while acting in the capacity of a district employee.
- u. Unlawful retaliation against any other district officer or employee or member of the public who, in good faith, reports, discloses, divulges, or otherwise brings to the attention of any appropriate authority any information relative to an actual or suspected violation of state or federal law occurring on the job or directly related thereto.
- v. Any other failure of good behavior either during or outside of duty hours which is of such nature that it causes discredit to the district or his/her employment.

Except as defined in item "s" above, no personnel action shall be taken for any cause which

arose before the employee became permanent, nor for any cause which arose more than two years before the date of the filing of the notice of cause unless this cause was concealed or not disclosed by the employee when it could be reasonably assumed that the employee would have disclosed the facts to the district.

2. Initiation and Notification of Charges

The Superintendent or designee may initiate a personnel action as defined herein against a permanent classified employee.

In all cases involving a personnel action, the person initiating the action shall file a written recommendation of personnel action with the Board. A copy of the recommendation shall be served upon the employee either personally or by registered or certified mail, return receipt requested, at the employee's last known address. The recommendation shall include:

- a. A statement of the nature of the personnel action (suspension without pay, demotion, reduction of pay step in class, or dismissal).
- b. A statement of the cause or causes for the personnel action, as set forth above.
- c. A statement of the specific acts or omissions upon which the causes are based. If a violation of rule, policy, or regulation of the district is alleged, the rule, policy, or regulation violated shall be stated in the recommendation.
- d. A statement of the employee's right to appeal the recommendation and the manner and time within which the appeal must be filed.
- e. A card or paper, the signing and filing of which shall constitute a demand for hearing and a denial of all charges.

3. Employment Status Pending Appeal or Waiver

Except as provided herein, any employee against whom a recommendation of personnel action has been issued shall remain on active duty status and responsible for fulfilling the duties of the position pending his/her appeal or waiver thereof.

If the Superintendent or designee determines that a permanent classified employee should be dismissed and that his/her continuing in active duty status would present an unreasonable risk of harm to students, staff, or property while proceedings are pending, the Superintendent or designee may order the employee immediately suspended from duty without pay in conjunction with the recommendation of personnel action. This suspension order shall be in writing and shall state the reasons that the suspension is deemed necessary. The suspension order shall be served upon the employee either personally or by registered or certified mail, return receipt requested, immediately after issuance. Except in cases of emergency when the employee must be removed from the premises immediately, the Superintendent or designee shall give the employee written notice of the proposed recommendation of dismissal at least five calendar days before the effective date of

any order of suspension issued in conjunction with a recommendation involving dismissal. This notice shall state that immediate suspension without pay is being considered, the reasons for the proposed dismissal and proposed immediate suspension without pay, materials upon which the proposed action is based, and the employee's right to respond to the Superintendent or designee orally or in writing before the final recommendation and order are issued.

4. Time Limit of Suspension

Except for a suspension imposed under #3 above, any suspension invoked under these rules against any one person for one or more periods shall not aggregate more than 90 calendar days in any 12-month period; however, this time limitation shall not apply to cases in which a personnel action of dismissal is modified by the Board to a suspension.

5. Right to Appeal

Within five calendar days after receiving the recommendation of personnel action described above, the employee may appeal by signing and filing the card or paper included with the recommendation. Any other written document signed and appropriately filed within the specified time limit by the employee shall constitute a sufficient notice of appeal. A notice of appeal is filed only by delivering the notice of appeal to the office of the Superintendent or designee during normal work hours of that office. A notice of appeal may be mailed to the office of the Superintendent or designee but must be received or postmarked no later than the time limit stated herein. In cases where an order of suspension without pay has been issued in conjunction with a recommendation of dismissal, any appeal of the recommendation of dismissal shall also constitute an appeal of the suspension order, and the necessity of the order shall be an issue in the appeal hearing.

If the employee fails to file a notice of appeal within the time specified in these rules, he/she shall be deemed to have waived his/her right to appeal, and the Board may order the recommended personnel action into effect immediately.

6. Amended/Supplemental Charges

At any time before an employee's appeal is finally submitted to the Board or to a hearing officer for decision, the complainant may, with the consent of the Board or hearing officer, serve on the employee and file with the Board an amended or supplemental recommendation of personnel action.

If the amended or supplemental recommendation presents new causes or allegations, the employee shall be afforded a reasonable opportunity to prepare his/her defense. Any new causes or allegations shall be deemed controverted and any objections to the amended or supplemental causes or allegation may be made orally at the hearing and shall be noted on the record.

7. Hearing Procedures

a. The hearing shall be held at the earliest convenient date, taking into consideration the

established schedule of the Board or hearing officer and the availability of counsel and witnesses. The parties shall be notified of the time and place of the hearing. The employee shall be entitled to appear personally, produce evidence, and have counsel. The employee shall be entitled to a public hearing if he/she demands it when the Board is hearing the appeal. The complainant may also be represented by counsel. The procedure entitled "Administrative Adjudication" commencing with Government Code 11500 shall not apply to any such hearing before the Board or a hearing officer. Neither the Board nor a hearing officer shall be bound by rules of evidence used in California courts. Informality in any such hearing shall not invalidate any order or decision made or approved by the hearing officer or the Board.

b. All hearings shall be heard by a hearing officer (who shall be an attorney licensed in the State of California) except in those cases where the Board determines to hear the appeal itself. In any case in which the Board hears the appeal, the Board may use the services of its counsel or a hearing officer in ruling upon procedural questions, objections to evidence, and issues of law. If the appeal is heard by the Board, the Board shall affirm, modify or revoke the recommended personnel action.

c. If the appeal is heard by a hearing officer, he/she shall prepare a proposed decision in a form that may be adopted by the Board as the decision in the case. A copy of the proposed decision shall be received and filed by the Board and furnished to each party within ten days after the proposed decision is filed by the Board. The Board may:

- (1) Adopt the proposed decision in its entirety.
- (2) Reduce the personnel action set forth in the proposed decision and adopt the balance of the proposed decision.
- (3) Reject a proposed reduction in personnel action, approve the personnel action sought by the complainant or any lesser penalty, and adopt the balance of the proposed decision.
- (4) Reject the proposed decision in its entirety.

d. If the Board rejects the proposed decision in its entirety, each party shall be notified of such action and the Board may decide the case upon the record including the transcript, with or without the taking of additional evidence, or may refer the case to the same or another hearing officer to take additional evidence. If the case is so assigned to a hearing officer, he/she shall prepare a proposed decision, as provided in item "c" above, upon the additional evidence and the transcript and other papers which are part of the record of the prior hearing. A copy of this proposed decision shall be furnished to each party within 10 days after the proposed decision is filed by the Board.

e. In arriving at a decision or a proposed decision on the propriety of the proposed personnel action, the Board or the hearing officer may consider the records of any prior personnel action proceedings against the employee in which a personnel action was ultimately sustained and any records that were contained in the employee's personnel files and introduced into evidence at the hearing.

8. Hearing Decision

The decision of the Board shall be in writing and shall contain findings of fact and the personnel action approved, if any. The findings may reiterate the language of the pleadings or simply refer to them.

The decision of the Board shall be certified to the Superintendent or designee who recommended the personnel action, and he/she shall enforce and follow this decision. A copy of the decision shall be delivered to the appellant or his/her designated representative personally or by registered mail. The decision of the Board shall be final.

Non-merit System Districts

9. Compulsory Dismissal

The district shall not employ or retain in employment any person who has been convicted of any sex offense as defined in Education Code 44010 or any controlled substance offense as defined in Education Code 44011. However, the district may employ a person convicted of a controlled substance offense if the Board determines from the evidence it requires that the person has been rehabilitated for at least five years. If any such conviction is reversed and the person acquitted or charges dismissed except as otherwise provided below, the employee may be reemployed by the district, although reemployment is not a guarantee. (Education Code 45123)

The district reserves the right to dismiss an employee for any acts upon which the original criminal charges were based, despite the disposition by the courts. If dismissal is recommended and upheld, an employee will not be reemployed or compensated for the time he/she was suspended unless otherwise required by law. An employee shall be given notice of the possibility of not being reimbursed during mandatory suspension if he/she is ultimately dismissed for the acts upon which the original charges were based.

OPTION 2 - Merit System Districts

9. Compulsory Leave of Absence

Employees charged with a mandatory leave of absence offense as defined in Education Code 44940 shall be placed immediately on compulsory leave of absence for not more than ten days after entry of judgment in the criminal proceedings, unless the leave is extended as provided below. (Education Code 45304)

Employees charged with an optional leave of absence offense as defined in Education Code 44940 may be placed immediately on compulsory leave of absence under the terms and conditions stated below. (Education Code 45304)

Despite the disposition of criminal charges, the Board reserves the right to dismiss an employee for the facts upon which the criminal charges were based. An employee ultimately

found guilty by the Personnel Commission to have committed the acts upon which the original charges were based may be dismissed. If so dismissed, the employee is not entitled to compensation during the time of his/her suspension, unless otherwise required by law.

An employee shall be given notice of the possibility of being dismissed without pay during the compulsory suspension if he/she is ultimately found guilty of the acts leading to the criminal charges, despite the disposition of the charges by the court.

10. Extension of Compulsory Leave

The Board may extend an employee's compulsory leave of absence by giving him/her notice, within ten days after the entry of judgment in the proceedings, that he/she will be dismissed in 30 days unless he/she demands a hearing. Employee compensation during the period of compulsory leave shall be made in accordance with law. (Education Code 44940.5)

Board Policy

Sexual Harassment

BP 4219.11 4119.11, 4319.11
Personnel

The Governing Board is committed to providing a safe work environment that is free of harassment and intimidation. The Board prohibits sexual harassment against district employees and retaliatory behavior or action against any person who complains, testifies, or otherwise participates in the complaint process established for the purpose of this policy.

Sexual harassment includes, but is not limited to, harassment that is based on the gender, gender identity, gender expression, or sexual orientation of the victim.

This policy shall apply to all district employees and to other persons on district property or with some employment relationship with the district, such as interns, volunteers, contractors, and job applicants.

(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 4030 - Nondiscrimination in Employment)

Any district employee who engages or participates in sexual harassment or who aids, abets, incites, compels, or coerces another to commit sexual harassment in violation of this policy is subject to disciplinary action, up to and including dismissal.

(cf. 4117.7/4317.7 - Employment Status Reports)
(cf. 4118 - Dismissal/Suspension/Disciplinary Action)
(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

The Superintendent or designee shall take all actions necessary to ensure the prevention, investigation, and correction of sexual harassment, including but not limited to:

1. Providing training to employees in accordance with law and administrative regulation
2. Publicizing and disseminating the district's sexual harassment policy to employees and others to whom the policy may apply

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

3. Ensuring prompt, thorough, and fair investigation of complaints
4. Taking timely and appropriate corrective/remedial action(s), which may require interim separation of the complainant and the alleged harasser and subsequent monitoring of developments.

The Superintendent or designee shall periodically evaluate the effectiveness of the district's strategies to prevent and address harassment. Such evaluation may involve conducting regular anonymous employee surveys to assess whether harassment is occurring or is perceived to be tolerated, partnering with researchers or other agencies with the needed expertise to evaluate the district's prevention strategies, and using any other effective tool for receiving feedback on systems and/or processes. As necessary, changes shall be made to the harassment policy, complaint procedures, or training.

Sexual Harassment Reports and Complaints

Any district employee who feels that he/she has been sexually harassed in the performance of his/her district responsibilities or who has knowledge of any incident of sexual harassment by or against another employee shall immediately report the incident to his/her direct supervisor, another supervisor, the district's coordinator for nondiscrimination, the Superintendent, or, if available, a complaint hotline or an ombudsman. A supervisor or administrator who receives a harassment complaint shall promptly notify the coordinator.

Complaints of sexual harassment shall be filed and investigated in accordance with the complaint procedure specified in AR 4030 - Nondiscrimination in Employment. An employee may bypass his/her supervisor in filing a complaint where the supervisor is the subject of the complaint.

All complaints and allegations of sexual harassment shall be kept confidential to the extent necessary to carry out the investigation or to take other subsequent necessary actions. (2 CCR 11023)

Administrative Regulation

Sexual Harassment

AR 4219.11 4119.11, 4319.11

Personnel

This administrative regulation shall apply to all allegations of sexual harassment involving employees, interns, volunteers, and job applicants, but shall not be used to resolve any complaint by or against a student.

Definitions

Prohibited sexual harassment includes, but is not limited to, unwelcome sexual advances, unwanted requests for sexual favors, or other unwanted verbal, visual, or physical conduct of a sexual nature made against another person of the same or opposite sex in the work or educational setting when: (Education Code 212.5; Government Code 12940; 2 CCR 11034)

1. Submission to the conduct is made explicitly or implicitly a term or condition of the individual's employment.
2. Submission to or rejection of the conduct is used as the basis for an employment decision affecting the individual.
3. Submission to or rejection of the conduct is used as the basis for any decision affecting the individual regarding benefits, services, honors, programs, or activities available at or through the district.

Note: Pursuant to Government Code 12940, conduct may meet the definition of sexual harassment regardless of whether or not the alleged harasser is motivated by sexual desire for the victim.

Prohibited sexual harassment also includes conduct which, regardless of whether or not it is motivated by sexual desire, is so severe or pervasive as to unreasonably interfere with the victim's work performance or create an intimidating, hostile, or offensive work environment.

Examples of actions that might constitute sexual harassment in the work or educational setting, whether committed by a supervisor, a co-worker, or a non-employee, include, but are not limited to:

1. Unwelcome verbal conduct such as sexual flirtations or propositions; graphic comments about an individual's body; overly personal conversations or pressure for sexual activity; sexual jokes or stories; unwelcome sexual slurs, epithets, threats, innuendoes, derogatory comments, sexually degrading descriptions, or the spreading of sexual rumors
2. Unwelcome visual conduct such as drawings, pictures, graffiti, or gestures; sexually

explicit emails; displaying sexually suggestive objects

3. Unwelcome physical conduct such as massaging, grabbing, fondling, stroking, or brushing the body; touching an individual's body or clothes in a sexual way; cornering, blocking, leaning over, or impeding normal movements

Training

The Superintendent or designee shall ensure that all employees receive training regarding the district's sexual harassment policies when hired and periodically thereafter. The training shall include how to recognize prohibited or harassing conduct, the procedures for reporting and/or filing complaints involving an employee, employees' duty to use the district's complaint procedures, and employee obligations when a sexual harassment report involving a student is made to the employee. The training shall also include information about processes for employees to informally share or obtain information about harassment without filing a complaint.

(cf. 1312.3 - Uniform Complaint Procedures)

(cf. 4030 - Nondiscrimination in Employment)

(cf. 5145.7 - Sexual Harassment)

Every two years, the Superintendent or designee shall ensure that supervisory employees receive at least two hours of classroom or other effective interactive training and education regarding sexual harassment. All such newly hired or promoted employees shall receive training within six months of their assumption of the new position. (Government Code 12950.1)

A supervisory employee is any employee having the authority, in the interest of the district, to hire, transfer, suspend, lay off, promote, discharge, assign, reward, or discipline other employees, or the responsibility to direct them, adjust their grievances, or effectively recommend such action, when the exercise of the authority is not of a merely routine or clerical nature, but requires the use of independent judgment. (Government Code 12926)

(cf. 4300 - Administrative and Supervisory Personnel)

The district's sexual harassment training and education program for supervisory employees shall be aimed at assisting them in preventing and effectively responding to incidents of sexual harassment, as well as implementing mechanisms to promptly address and correct wrongful behavior. The training shall include, but is not limited to, the following: (Government Code 12950.1; 2 CCR 11024)

1. Information and practical guidance regarding federal and state laws on the prohibition, prevention, and correction of sexual harassment, the remedies available to sexual harassment victims in civil actions, and potential district and/or individual exposure or liability

2. The types of conduct that constitute sexual harassment and practical examples which illustrate sexual harassment, discrimination, and retaliation using training modalities such as role plays, case studies, and group discussions, based on factual scenarios taken from case law, news and media accounts, and hypotheticals based on workplace situations and other sources

3. A supervisor's obligation to report sexual harassment, discrimination, and retaliation of which he/she becomes aware and what to do if the supervisor himself/herself is personally accused of harassment
4. Strategies for preventing harassment, discrimination, and retaliation and appropriate steps to ensure that remedial measures are taken to correct harassing behavior, including an effective process for investigation of a complaint
5. The essential elements of the district's anti-harassment policy, including the limited confidentiality of the complaint process and resources for victims of unlawful sexual harassment, such as to whom they should report any alleged sexual harassment, and how to use the policy if a harassment complaint is filed
6. A copy of the district's sexual harassment policy and administrative regulation, which each participant shall acknowledge in writing that he/she has received
7. The definition and prevention of abusive conduct that addresses the use of derogatory remarks, insults, or epithets, other verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating, and the gratuitous sabotage or undermining of a person's work performance
8. Practical examples of harassment based on gender identity, gender expression, and sexual orientation

The Superintendent or designee shall retain for at least two years the records of any training provided to supervisory employees. Such records shall include the names of trained employees, date of the training, the type of training, and the name of the training provider. (2 CCR 11024)

Personnel

As part of its commitment to provide a safe and healthful work environment, the Governing Board recognizes the importance of developing an exposure control plan. The Superintendent or designee shall establish a written exposure control plan in accordance with state and federal standards for dealing with potentially infectious materials in the workplace to protect employees from possible infection due to contact with bloodborne pathogens, including but not limited to hepatitis B virus, hepatitis C virus and human immunodeficiency virus (HIV).

Administrative Regulation

Exposure Control Plan For Bloodborne Pathogens

AR 4219.42 4119.42, 4319.42

Personnel

Definitions

Occupational exposure means reasonably anticipated skin, eye, mucous membrane, or parenteral contact with blood or other potentially infectious materials that may result from the performance of an employee's duties. (8 CCR 5193(b))

Exposure incident means a specific eye, mouth, other mucous membrane, nonintact skin, or parenteral contact with blood or other potentially infectious materials that result from the performance of an employee's duties. (8 CCR 5193 (b))

Parenteral contact means piercing mucous membranes or the skin barrier through such events as needlesticks, human bites, cuts, and abrasions. (8 CCR 5193(b))

A sharp is any object that can be reasonably anticipated to penetrate the skin or any other part of the body and to result in an exposure incident. (8 CCR 5193(b))

A sharps injury is any injury caused by a sharp, including but not limited to cuts, abrasions or needlesticks. (8 CCR 5193(b))

Work practice controls are controls that reduce the likelihood of exposure by defining the manner in which a task is performed. (8 CCR 5193(b))

Engineering controls are controls, such as sharps disposal containers, needleless systems, and sharps with engineered sharps injury protection, that isolate or remove the bloodborne pathogens hazard from the workplace. (8 CCR 5193(b))

Engineered sharps injury protection is a physical attribute built into a needle device or into a non-needle sharp which effectively reduces the risk of an exposure incident. (8 CCR 5193(b))

Exposure Control Plan

The district's exposure control plan shall contain at least the following components: (8 CCR 5193(c))

1. A determination of which employees have occupational exposure to blood or other potentially infectious materials

The district's exposure determination shall be made without regard to the use of personal protective equipment and shall include a list of:

- a. All job classifications in which all employees have occupational exposure
- b. Job classifications in which some employees have occupational exposure
- c. All tasks and procedures, or groups of closely related tasks and procedures, in which occupational exposure occurs and which are performed by employees listed in item #b above

2. The schedule and method of implementing:

- a. Methods of compliance required by 8 CCR 5193(d), such as universal precautions, general and specific engineering and work practice controls, and personal protective equipment

(cf. 4119.43/4219.43/4319.43 - Universal Precautions)

- b. Hepatitis B vaccination
 - c. Bloodborne pathogen post-exposure evaluation and follow-up
 - d. Communication of hazards to employees, including labels, signs, information and training
 - e. Recordkeeping
3. The district's procedure for evaluating circumstances surrounding exposure incidents
4. An effective procedure for gathering information about each exposure incident involving a sharp, as required for the log of sharps injuries
5. An effective procedure for periodically determining the frequency of use of the types and brands of sharps involved in exposure incidents documented in the sharps injury log
6. An effective procedure for identifying currently available engineering controls and selecting such controls as appropriate for the procedures performed by employees in their work areas or departments
7. An effective procedure for documenting instances when a licensed healthcare professional directly involved in a patient's care determines, in the reasonable exercise of clinical judgment, that the use of an engineering control would jeopardize an individual's safety or the success of a medical, dental or nursing procedure involving the individual
8. An effective procedure for obtaining the active involvement of employees in reviewing and updating the exposure control plan with respect to the procedures performed by employees in their respective work areas or departments

The exposure control plan shall be reviewed and updated at least annually and whenever necessary to: (8 CCR 5193(c))

1. Reflect new or modified tasks and procedures affecting occupational exposure
2. To the extent that sharps are used in the district, reflect progress in implementing the use of needleless systems and sharps with engineered sharps injury protection
3. Include new or revised employee positions with occupational exposure
4. Review and evaluate the exposure incidents which occurred since the previous update
5. Review and respond to information indicating that the exposure control plan is deficient in any area

The district's exposure control plan shall be accessible to employees upon request. (8 CCR 3204(e))

Preventive Measures

The Superintendent or designee shall use engineering and work practice controls to eliminate or minimize employee exposure, and shall regularly examine and update controls to ensure their effectiveness. (8 CCR 5193(d))

Hepatitis B Vaccination

The hepatitis B vaccination and vaccination series shall be made available at no cost to all employees who have occupational exposure. The hepatitis B vaccination shall be made available after an employee with occupational exposure has received the required training and within 10 working days of initial assignment, unless the employee has previously received the complete hepatitis B vaccination series, or antibody testing has revealed that the employee is immune, or vaccination is contraindicated by medical reasons. (8 CCR 5193(f))

Employees who decline to accept the vaccination shall sign the hepatitis B declination statement. (8 CCR 5193(f))

The Superintendent or designee may exempt designated first aid providers from the pre-exposure hepatitis B vaccine in accordance with 8 CCR 5193 (f).

Information and Training

The Superintendent or designee shall ensure that all employees with occupational exposure participate in a training program containing the elements required by state regulations, during working hours and at no cost to the employee. This program shall be offered at the time of initial assignment to tasks where occupational exposure may take place, at least annually thereafter, and whenever a change of tasks or procedures affects the employee's exposure. (8 CCR 5193(g))

Designated first aid providers shall receive training that includes the specifics of reporting first-aid incidents which involve blood or body fluids which are potentially infectious. (8 CCR 5193(g))

Reporting Incidents

All exposure incidents shall be reported as soon as possible to the Superintendent or designee.

Unvaccinated designated first aid providers must report any first aid incident involving the presence of blood or other potentially infectious material, regardless of whether an exposure incident occurred, by the end of the work shift. The full hepatitis B vaccination series shall be made available to such employees no later than 24 hours after the first aid incident. (8 CCR 5193(f))

Sharps Injury Log

The Superintendent or designee shall establish and maintain a log recording each exposure incident involving a sharp. The exposure incident shall be recorded within 14 working days of the date the incident is reported to the district. (8 CCR 5193(c))

The information recorded shall include the following, if known or reasonably available: (8 CCR 5193(c))

1. Date and time of the exposure incident
2. Type and brand of sharp involved in the exposure incident
3. A description of the exposure incident, including:
 - a. Job classification of the exposed employee
 - b. Department or work area where the exposure incident occurred
 - c. The procedure that the exposed employee was performing at the time of the incident
 - d. How the incident occurred
 - e. The body part involved in the incident
 - f. If the sharp had engineered sharps injury protection, whether the protective mechanism was activated and whether the injury occurred before, during or after the protective mechanism was activated
 - g. If the sharp had no engineered sharps injury protection, the injured employee's opinion as to whether and how such a mechanism could have prevented the injury
 - h. The employee's opinion about whether any other engineering, administrative or work practice could have prevented the injury

Post-Exposure Evaluation and Follow-up

Following a report of an exposure incident, the Superintendent or designee shall immediately make available to the exposed employee, at no cost, a confidential medical evaluation, post-exposure evaluation and follow-up. The Superintendent or designee shall, at a minimum: (8 CCR 5193(f))

Hepatitis B Vaccine Declination

I understand that due to my occupational exposure to blood or other potentially infectious materials I may be at risk of acquiring hepatitis B virus (HBV) infection. I have been given the opportunity to be vaccinated with hepatitis B vaccine, at no charge to myself. However, I decline hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring hepatitis B, a serious disease. If in the future I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with hepatitis B vaccine, I can receive the vaccination series at no charge to myself.

Re: Action: Approval of Board of Trustees Meetings 2019-20

Objective:

To approve a calendar for board meetings for 2019-20

Background:

Staff is presenting two options for board meetings for the 2019-20 school year. One set of dates is the traditional Thursday at 5pm meeting schedule for monthly meetings.

The second set of dates switches the meetings to Wednesday which is the preference of the staff. Wednesday is an early release day and allows ample time to prepare for the board meeting. Additionally, it allows for follow up actions needed for Thursday completion.

Funding Source/Cost:

NA

Recommendation:

Staff recommends review of both calendars and prefers a change to Wednesday nights should Trustees be available on Wednesday nights vs Thursday nights, one evening per month.
