## Board Policy

Series 1000: Community Relations

BP 1260

### EDUCATIONAL FOUNDATION

The Governing Board recognizes the importance of community support of district programs, including voluntary financial contributions, to assist the district in achieving its goals for student learning.

The Board desires to work cooperatively with the educational foundation in determining the purposes for which funds may be used to meet the changing needs of the district and its students. The Board recognizes that an educational foundation is a separate legal entity, independent of the district. However, the foundation is encouraged to provide regular reports to the Board on the status of its work and to communicate ways that the district can help support the foundation's activities.

With the consent of the Superintendent or designee, the educational foundation, as appropriate, may use the district's name, a school's name, a school team's name, or any logo attributable to a school or the district.
