Personnel Files

The Superintendent or designee shall maintain personnel files for all current employees. All personnel files are confidential and shall be available only to the employee, persons authorized by the employee and those authorized by the Superintendent or designee. Official employee files shall be maintained at the district's central office. The Superintendent or designee shall determine the types of information to be included and shall process all material to be placed in a personnel file.

The contents of all personnel files shall be kept in strict confidence by any authorized reviewer.

Personnel files shall be reviewed and replaced within the shortest time possible. In no case shall a personnel file be left unattended or left unfiled overnight.

Placement of Material in Personnel Files

Any person who places written material or drafts written material for placement in an employee's file shall sign the material and signify the date of placement.

When an employee is asked to sign any material that is to be placed in his/her file, it is with the understanding that his/her signature signifies only that he/she has read the material and does not necessarily indicate agreement with its contents.

Any request by an employee to include materials in his/her personnel file must be approved by the Superintendent or designee.

A classified employee may initiate a written reaction or response to his/her performance evaluation and that response shall become a permanent attachment to the employee's personnel file.
