## Administrative Rules and Regulations

Series 5000: Students

AR 5111

---

### ADMISSION

#### **Eligibility**

##### Students Residing within District Boundaries

Any student who meets the criteria for district residency as outlined in the governing board's policies, rules and regulations (BP 5111.1, AR 5111.1) is eligible for admission.

##### Interdistrict Attendance

For students residing outside of the District's boundaries, the governing Board may consider interdistrict transfer requests on a case-by-case basis. Each approved interdistrict transfer request shall be reviewed annually and shall stipulate the terms and conditions under which interdistrict attendance shall be permitted or denied.

(Education Code 46600)

The governing Board shall provide policies, rules and regulations regarding interdistrict attendance (BP 5117, AR 5117).

#### **Age of Admission**

Proof of age shall be required of all enrolling students. The legal evidences of age, in order of desirability, are a birth certificate, baptismal certificate, passport, immigration certificate, Bible record, or affidavit from the parent/guardian.

##### Transitional Kindergarten

The District shall offer a transitional kindergarten program to eligible children as a condition of receipt of apportionment for pupils pursuant to subdivision (g) of Section 46300. A child's eligibility requirements shall be outlined in the governing board's policies, rules and regulations (BP 6170.1).

##### Kindergarten

A child shall be admitted to a kindergarten maintained by the school district at the beginning of a school year, or at a later time in the same year if the child will have his or her fifth birthday on or before one of the following dates:

1. December 2 of the 2011-12 school year
2. November 1 of the 2012-13 school year

3. October 1 of the 2013-14 school year
4. September 1 of the 2014-15 school year and each school year thereafter

The District may, on a case-by-case basis and at the District's discretion, admit to a kindergarten a child having attained the age of five years at any time during the school year with the approval of the parent or guardian, subject to the following conditions:

1. The school administrator determines that the admittance is in the best interests of the child.
2. The parent or guardian is given information regarding the advantages and disadvantages and any other explanatory information about the effect of this early admittance.

### Grade 1

A child who has been admitted to the kindergarten maintained by a private or public school in California or any other state, and who has completed one school year therein, shall be admitted to the first grade of an elementary school unless the parent or guardian of the child and the school district agree that the child may continue in kindergarten for not more than an additional school year. (Education Code 48000)

Per California State law, a child shall be admitted to the first grade of an elementary school during the first month of a school year if the child will have his or her sixth birthday on or before one of the following dates:

1. December 2 of the 2011-12 school year
2. November 1 of the 2012-13 school year
3. October 1 of the 2013-14 school year
4. September 1 of the 2014-15 school year and each school year thereafter

For good cause, the District may permit a child of proper age to be admitted to a class after the first school month of the school term.

### **Immunization Requirement**

Students entering a district school or transferring between school campuses shall present an immunization record which shows at least the month and year of each immunization in accordance with law. Students shall be excluded from school or exempted from immunization requirements only as allowed by law.
