Estimadas Familias Nicasio,

Agosto 22, 2019

¡El personal y yo estuvimos muy emocionados al darles la bienvenida a Usted y sus niños de regreso a la escuela el día de ayer! Muchas gracias a todos los que contribuyeron para el encantador café y té organizado por el Club de Padres (y coordinado por Melissa Joyce y Lillian Ayroso). Espero que hayan disfrutado encontrándose con y conociendo a nuestras fantásticas familias.

Si Usteed no tuvo la posibilidad de quedarse al café el día de ayer, ¡no se preocupe! Favor de acompañarnos en nuestra área de juego **este viernes de 3 a 4pm** para el evento casual “conozca y salute” organizado por el Club de Padres. Esta es otra grandiose forma de conectar con otras familias y construir relaciones. Se ofrecerá limonada y bocadillos especiales. ¡Espero verlos ahí!

Marquen sus calendarios para nuestra primer asamblea escolar el **miércoles 28 de agosto a la 1:30pm** en la biblioteca. Presentaremos nuestra habilidad para la vida del mes de septiembre, *cuidadano digital*. Este año, tenemos organizadas nuestras asambleas regulares para el último miércoles de cada mes y los padres de familia *siempre* son bienvenidos para acompañarnos. Estudiantes de Jardín de Niños (con sus padres) también están invitados a estar con nosotros.

Por último, es un placer presentarles nuevamente a nuestra Superintendente Interina, Nancy Neu. Nancy ha sido nuestra Superintendente Interina anteriormente, así como nuestra Directora Interina. Estamos muy contentos de que ella regresa y comparta su vasta experiencia con nosotros.

Disfrute de las fotos (abajo) del día de limpieza, la mañana de café y té con el Club de Padres y la visita de la Oficial Josie Sanguinetti el primer día de escuela. ¡El ciclo escolar 2019-20 será un gran año!

Sinceramente,

Barbara

Share an evening with civil rights leader Dolores Huerta, President and Founder of the Dolores Huerta Foundation. “Sí se puede” (Yes We Can) is the motto she coined for the United Farm Workers which she co-founded with Cesar Chavez. In 2012, President Obama awarded her the Presidential Medal of Freedom.

Through her foundation, Ms. Huerta inspires and organizes communities to build volunteer organizations empowered to pursue social justice for women’s, gay, immigrant, labor, and universal human rights.

Pirate Community,

For many years, we have conducted tours at our school to familiarize incoming students and parents with our academic and extracurricular programs, as well as the culture and personality of our campus.

Our increasing enrollment has meant more frequent disruptions to classes, students, and school staff. It has also created more challenges for organizing the tours. Additionally, middle school students are missing class time to attend tours when they should be in class.

For these reasons, we will no longer be conducting tours at Drake or any of the schools in the Tam District. Although we no longer offer tours, there are a number of ways you can still learn about our school and become familiar with our campus and school culture. Please see below for ways to learn about Drake. Please also know that Drake has not had a "shadow" program for many years for reasons similar to those described above and will not be bringing back the shadow program.

We are working closely with our main partner middle schools on how we can provide communication to our incoming 8th graders and their families with all the necessary information they need to come to Drake. We will have more information soon!

We encourage you to visit the [Drake HS Web Page](#) for a wealth of information. Some of the most popular links are below.

The public is always welcome at athletic and theater events. Athletic events are published in the Marin Independent Journal and at [Drake Athletics](#). Under [Pirate News](#) on our homepage, check out [The Community Compass](#), our weekly newsletter, the current Pirate TV episode, or Crew Announcements. An active School Calendar is on the [Drake Home Page](#) and look under "Drake News" for current events. Read our student newspaper, [The Jolly Roger](#) online. To get the flavor of the school yourself, you can just drop by the school after 3:45 and wander around. Unfortunately, our staff is not available to meet with families at this time, but there will usually still be some students and teachers around who can answer general questions.

# WILDFIRE EVACUATION CHECKLIST

If evacuation is anticipated and time allows, follow this checklist to give your family and home the best chance of survival. Complete the Family Communication Plan on the opposite side for each family member and keep in your "Go Kit(s)."

**ALERT MARIN:** Register for emergency notifications at [www.alertmarin.org](http://www.alertmarin.org) to receive evacuation notices by email, phone, or text. Evacuation notices sent through Alert Marin will use the following terminology:

## EVACUATION ORDER

Leave now! Evacuate immediately, do not delay to gather valuables or prepare your home. Follow any directions given in the evacuation order.

## EVACUATION WARNING

Evacuate as soon as possible. A short delay to gather your Go Kit and prepare your home (see below) may be ok. Leave if you feel unsafe.

## SHELTER IN PLACE

Stay in your current location or the safest nearby building or unburnable area. May be required when evacuation is impossible, too dangerous, or unnecessary.

## ON YOUR PERSON

- Dress all family members in long sleeves and long pants - heavy cotton or wool is preferable no matter how hot it is.
- Wear leather gloves, head, and eye protection - full coverage goggles are best.
- Cover your face with a dry bandanna or (cotton or wool) scarf over an N95 respirator.
- Carry a headlamp and flashlight (even during the day), cell phone, and spare battery.
- Carry car keys, wallet, and ID on your person.
- Drink lots of water and stay hydrated.
- Put your "Go Kit" in your vehicle.

## PETS & ANIMALS

- Locate your pets and place in carriers NOW. You will not be able to catch them when the fire approaches.
- Be sure your pets wear tags and microchips.
- Place carriers (with your pets in them) near the front door, with fresh water and extra food.
- Prepare horses and large animals for transport and consider moving them to a safe location early, before evacuation is ordered.

## INSIDE THE HOUSE

- Shut all windows and doors (interior too) and leave them unlocked.
- Remove combustible window shades and lightweight curtains; close metal shutters.
- Move furniture to the center of the room, away from windows.
- Shut off gas at the meter or propane tank; turn off pilot lights.
- Leave indoor and outdoor lights on for firefighters.
- Shut off air conditioning and house fans.

## OUTSIDE & IN NEIGHBORHOOD

- Gather up combustible items outside the house (patio furniture, children's toys, door mats, trash cans, etc) and place in garage or move them at least 30' from structures (optionally: place in your pool).
- Close propane tank valves. Move small tanks away from structures.
- Connect garden hoses to outside water valves or spigots for use by firefighters. Attach squeeze-grip nozzles if you have them.

- Fill water buckets and place them around the outside of house, especially near decks and fences. Don't leave sprinklers on or water running - they are ineffective and can reduce critical water pressure for the entire neighborhood.
- Hosing your roof down is dangerous and ineffective. Clean your gutters and blow leaves away from house instead (only if time allows).
- Back your car into the driveway so it is facing out, with vehicle loaded and all doors and windows closed.
- Unlock and prop open fence and side gates.
- Place ladder(s) at the corner(s) of structures for firefighters.
- Seal attic and ground vents with pre-cut plywood or metal covers.
- Patrol your property and monitor the fire situation.
- Don't wait for an evacuation order if you feel threatened.
- Check on or call neighbors and make sure they are aware and preparing to leave.
- Assist elderly or disabled neighbors.
- Carpool to reduce traffic when evacuating!

## WILDFIRE & EMERGENCY "GO KIT"

Put together an emergency supply kit in advance and keep it easily accessible. Plan to be away from your home for an extended period of time. Each person should have their own Go Kit. Backpacks work great for storing these items.

- Bandana, N95 respirator, goggles, leather gloves
  - Water bottles and food
  - Map marked with two evacuation routes (if possible)
  - Prescription medications
  - Change of clothing
  - Extra eyeglasses or contact lenses
  - Extra set of car keys, credit cards, cash
  - First aid kit
  - Flashlight and headlamp with spare batteries
  - Battery-powered radio and extra batteries
  - Copies of important docs (birth certificates, passports, insurance policies, etc)
  - Pet food and water, leashes, pet supplies and medications
  - Spare chargers for cell phones, laptops, etc.
  - Sanitation supplies
- Items to take only if time allows:**
- Easily carried valuables
  - Family photos and other irreplaceable items
  - Personal computer and digital information backups on hard drives and/or disks
