Estimadas Familias Nicasio,

¡Gracias por estar presentes la Noche de Regreso a la Escuela la semana pasada! Fue grandioso ver nuevas caras y a quienes regresaron. Un agradecimiento especial a Esme R. y Krystal A. quienes estuvieron a cargo del cuidado de niños en la biblioteca. También gracias a los Bibliotecólogos Jennifer, Mary Anne y Simon de la Biblioteca Pública del Condado de Marín por proveer actividades interesantes para la tarde. Fue grandioso dar la bienvenida a Nicole Ramirez, quién proporcionó información y paquetes de registro para los programas después de escuela en el Centro Comunitario del Valle de San Gerónimo. El servicio de transporte entre la Escuela Nicasio y el SGVCC inició esta semana y fue maravilloso ver cuantas familias tomaron ventaja de esta oportunidad. Si Usted está interesado en aprender mas sobre los programas SGVCC, favor de visitar www.sgvcc.org e ir a la pestaña *Youth Programming*.

Esta semana tuvimos nuestra primer Charla con la Directora en la biblioteca. Gracias a todos los que se tomaron un tiempo de sus mañanas muy ocupadas para estar presentes. Éste es realmente un momento para conectar, disfrutar una taza de café y escuchar sobre nuestros eventos futuros en nuestra comunidad escolar. Si Usted no pudo estar presente, no se preocupe... nuestra siguiente charla será el 24 de octubre a las 8:20 am. Se proveerá traducción en español.

El próximo miércoles llevaremos acabo nuestra asamblea escolar a la 1:30 pm en la bibloteca. Daremos reconocimiento a los estudiantes quienes ejemplificaron nuestra habilidad para la vida del mes de septiembre y presentaremos nuestra habilidad para la vida de octubre, *iniciativa*. ¡Todos son bienvenidos a acompañarnos!

Favor de apartar las fechas para algunos de los eventos muy importantes en octubre. Nuestro evento anual *Walk-A-Thon* será el jueves 10 de octubre. Este es un evento de la Fundación de la Escuela Nicasio para recaudar fondos económicos que van directamente a los programas que a sus niños les encantan como arte, español y educación física. ¡Por favor, ayude a su niño(a) a reunir sus contribuciones!

También, el sábado 12 de octubre, la Fundación y el Club de Padres son los anfitriones de un día de campo y cine bajo las estrellas en la plaza. Este es un evento divertido y para contruir la comunidad dirigido a todas las edades. Dígale a sus amistades y vecinos. *Favor de visitar www.nicasioschool.org para encontrar nuestro registro de voluntarios para estos eventos que están por venir. ¡Necesitamos de su ayuda para que tengan éxito!*

Todo lo mejor,

Barbara

Dear Nicasio School Parents,

We would like to invite all parents interested in supporting the school fundraising projects to join us for our first Nicasio School Foundation meeting September 30 at 3:15 at Rancho Nicasio.

NSF organizes yearly community donation mailers, develops grants, and organizes the spring fundraiser dinner dance. Even if you don't have a lot of time to contribute every person involved helps. Spanish speaking families are encouraged and welcome.

Hello Nicasio School Families!

The students are off to a great start as they rehearse every Wednesday in Performing Arts class. This year's Winter Performance will be an all school performance of Aladdin Jr. I am thrilled to direct our fall production and hope you enjoy all of the singing that will hopefully take place in your home as a result.

Please find attached to this note the link to all of the music, rehearsal and performance. Like all learning experiences, repetition is key. I would suggest downloading the music to your phone, home computer or anywhere where your child(ren) will have access to it. If you do not have access to the music files, please let me know.

<https://drive.google.com/drive/folders/1VdCupw99Z6edHsk-RnjNCGAkIw-kEcjn>

Please make sure your child(ren) bring their scripts every Wednesday. All of their parts are highlighted in their scripts, so they are aware of what they need to study.

If you have any questions, please feel free to contact me.

See you in the theatre (MPR),
Ms. Monica

¡Hola Familias en la Escuela Nicasio!

Los estudiantes han tenido un gran comienzo mientras ellos ensayan cada miércoles en la clase de Artes Escénicas. Este año la presentación en el Programa de Invierno será Aladino Jr. con todos los alumnos en escena. Estoy encantada de dirigir nuestra producción y espero que ustedes disfruten de todas las canciones que estarán en sus casa como resultado de los ensayos.

Adjunto a esta carta, Usted puede encontrar el enlace para la música, ensayos y presentación. Como experiencia de aprendizaje, la repetición es muy importante. Les sigiero bajar la música en su teléfono, computadora en casa o cualquier otro aparato en el que su hijo o hija tenga acceso. Si Usted no tiene acceso a los archivos con la música, por favor hágamelo saber.

Por favor asegúrese de que sus niños traen sus guiones a la escuela cada miércoles. Las partes de cada uno están resaltadas con color en los guiones, así ellos saben lo que necesitan estudiar.

Si tiene cualquier pregunta, siéntase en la libertad de contactarme.

Los veo en el teatro (SUM),
Ms. Monica

WILDFIRE EVACUATION CHECKLIST

If evacuation is anticipated and time allows, follow this checklist to give your family and home the best chance of survival. Complete the Family Communication Plan on the opposite side for each family member and keep in your "Go Kit(s)."

ALERT MARIN: Register for emergency notifications at www.alertmarin.org to receive evacuation notices by email, phone, or text. Evacuation notices sent through Alert Marin will use the following terminology:

EVACUATION ORDER

Leave now! Evacuate immediately, do not delay to gather valuables or prepare your home. Follow any directions given in the evacuation order.

EVACUATION WARNING

Evacuate as soon as possible. A short delay to gather your Go Kit and prepare your home (see below) may be ok. Leave if you feel unsafe.

SHELTER IN PLACE

Stay in your current location or the safest nearby building or unburnable area. May be required when evacuation is impossible, too dangerous, or unnecessary.

ON YOUR PERSON

- Dress all family members in long sleeves and long pants - heavy cotton or wool is preferable no matter how hot it is.
- Wear leather gloves, head, and eye protection - full coverage goggles are best.
- Cover your face with a dry bandanna or (cotton or wool) scarf over an N95 respirator.
- Carry a headlamp and flashlight (even during the day), cell phone, and spare battery.
- Carry car keys, wallet, and ID on your person.
- Drink lots of water and stay hydrated.
- Put your "Go Kit" in your vehicle.

PETS & ANIMALS

- Locate your pets and place in carriers NOW. You will not be able to catch them when the fire approaches.
- Be sure your pets wear tags and microchips.
- Place carriers (with your pets in them) near the front door, with fresh water and extra food.
- Prepare horses and large animals for transport and consider moving them to a safe location early, before evacuation is ordered.

INSIDE THE HOUSE

- Shut all windows and doors (interior too) and leave them unlocked.
- Remove combustible window shades and lightweight curtains; close metal shutters.
- Move furniture to the center of the room, away from windows.
- Shut off gas at the meter or propane tank; turn off pilot lights.
- Leave indoor and outdoor lights on for firefighters.
- Shut off air conditioning and house fans.

OUTSIDE & IN NEIGHBORHOOD

- Gather up combustible items outside the house (patio furniture, children's toys, door mats, trash cans, etc) and place in garage or move them at least 30' from structures (optionally: place in your pool).
- Close propane tank valves. Move small tanks away from structures.
- Connect garden hoses to outside water valves or spigots for use by firefighters. Attach squeeze-grip nozzles if you have them.

- Fill water buckets and place them around the outside of house, especially near decks and fences. Don't leave sprinklers on or water running - they are ineffective and can reduce critical water pressure for the entire neighborhood.
- Hosing your roof down is dangerous and ineffective. Clean your gutters and blow leaves away from house instead (only if time allows).
- Back your car into the driveway so it is facing out, with vehicle loaded and all doors and windows closed.
- Unlock and prop open fence and side gates.
- Place ladder(s) at the corner(s) of structures for firefighters.
- Seal attic and ground vents with pre-cut plywood or metal covers.
- Patrol your property and monitor the fire situation.
- Don't wait for an evacuation order if you feel threatened.
- Check on or call neighbors and make sure they are aware and preparing to leave.
- Assist elderly or disabled neighbors.
- Carpool to reduce traffic when evacuating!

WILDFIRE & EMERGENCY "GO KIT"

Put together an emergency supply kit in advance and keep it easily accessible. Plan to be away from your home for an extended period of time. Each person should have their own Go Kit. Backpacks work great for storing these items.

- Bandana, N95 respirator, goggles, leather gloves
 - Water bottles and food
 - Map marked with two evacuation routes (if possible)
 - Prescription medications
 - Change of clothing
 - Extra eyeglasses or contact lenses
 - Extra set of car keys, credit cards, cash
 - First aid kit
 - Flashlight and headlamp with spare batteries
 - Battery-powered radio and extra batteries
 - Copies of important docs (birth certificates, passports, insurance policies, etc)
 - Pet food and water, leashes, pet supplies and medications
 - Spare chargers for cell phones, laptops, etc.
 - Sanitation supplies
- Items to take only if time allows:**
- Easily carried valuables
 - Family photos and other irreplaceable items
 - Personal computer and digital information backups on hard drives and/or disks
